

To parents of students in 3^{ème}

Petit-Lancy, 19 July 2024

Dear Parents,

Students in 3^{ème} (14-15 years) must follow the same rules as Cycle (Middle School) students regarding lunchtime.

However in the interest of giving your children greater responsibility and gradually increasing their independence, we feel it is useful to start offering alternatives to the two current options (taking school meals or bringing in their own food).

You can now choose one of the following options for your child:

- *Demi-pensionnaire* (takes school meals) and NOT AUTHORISED to go off-campus at lunchtime
- *Demi-pensionnaire* (takes school meals) and AUTHORISED to go off-campus at lunchtime
- *Externe* (brings in own food) and NOT AUTHORISED to go off-campus at lunchtime
- *Externe* (brings in own food) and AUTHORISED to go off-campus at lunchtime

We remind you that a student who is authorised to leave the school is not the responsibility of Institut Florimont when they are off-campus.

Please complete and return the slip below.

We thank you in advance for supporting this initiative.

With best wishes,

Anaïs Barthelon
Head of Baccaauréat section

Tibor Pazmandy
